

Winter Snowshoe Program 2017 2018 - Six choices

Snowshoers may choose one of the following “half day” programs

1. Winter Survival - first lesson if no program chosen

- how to dress for winter
- what to carry in a backpack
- first aid for hypothermia/frostbite
- introduction to snowshoeing
- snowshoe hike and camouflage game (thicket game)
- dress-up clothes
- sample backpack
- bucket of bolts (towels)

2. Shelter Building

- introduction on how to build shelters
- campfire

Optional -the school provides hot dogs and hot chocolate or S'mores
Highlands provides the hot dog roasting sticks

3. Wayfaring

- mapwork on snowshoes using the snowshoe map

4. Predator/Prey Survival Game

- predator/prey survival game on snowshoes

5. Trappers and Traders

- Play the Trapper and Trader game using Snowshoe trail map
- **If half day** - MUST have done WAYFARING on a previous visit
- **Full Day program** - wayfaring on snowshoes in morning Trapper and Trader Game, on snowshoes in the afternoon.

6. Keeping Track of Wildlife

- snowshoe hike looking for wildlife tracks
- wildlife games – beaver game, cavity game, squirrel game, Oh Deer, Quick Frozen Critters, etc... (Project Wild games)
